

# Mackrell International Accompanying Persons Program for AGM

Sydney, Australia, 21 - 25 April 2010

## Sydney 2010 promises to be the “family friendly” Mackrell AGM.

Australia is a great destination for a holiday and, as hosts of the Mackrell AGM, Lander & Rogers is happy to help you work out how to get the most out of your time here, while the Mackrell delegates are occupied at the AGM.

We would love to get your input on what you would like to do while you are here and we are also happy to answer any queries you may have about any before or after holiday options you are considering with your travel agent.

We are also discussing childcare arrangements and activities with our hotel and conference organisers and would welcome any ideas from you on how we can make this conference as family friendly as possible.

Please contact host partner, Anthony Seyfort, with any suggestions or queries:
