GLOBAL RECOGNITION FOR MACKRELL INTERNATIONAL

Mackrell International has been ranked in the Chamber's Directory as a Leading Global Law Firm Network every year since 2013 and is also ranked by Chambers as one of the leading Networks in Latin America.

This highly sought after and hard-won award is an achievement that reflects the work and commitment to quality of all of our member firms.

LEADING LAW FIRM NETWORK

LEADING LAW FIRM NETWORK

Mackrell International is one of the **5 oldest International Legal Networks** in the world.

Founded in 1987 with 13 member firms **Mackrell International** has grown to become a truly global network of more than **90 member firms worldwide** and recognised as one of the **top 10 Global Law Firm Networks**.

All members have the ability to provide **knowledgeable local guidance** through lawyers that are resident and registered in that country. Their familiarity with business methods in their own localities means that **Mackrell International** can provide invaluable, almost **unrivalled, international legal advice**.

A close relationship between members ensures an **efficient, personal and expert service** to all clients. Although each firm preserves its own independence, they can draw on the experience and knowledge of **Mackrell International** members to provide **legal advice on all continents**.

If there is no member firm in a specific location, **Mackrell International** members can recommend a **reliable local independent lawyer**.
